Requests to be informed whether identification slips have to be issued to the voters as was done on the previous occasion and if so, whether they have to be delivered to the voters before the election date or at the Polling Stations.

There is no rule prescribing the issue of identification slips to the voters and the one of the duties of the Associates to the Polling Officers will be identification of Electors. The issue of identification slip by the Municipality will be an additional check and the President states that they were issued on the last occasion & he may perhaps be informed that the procedure followed on the last occasion may be followed this time also.

Sir,

In connection with the ensuing elections of Representative Assembly and Legislative Council, I have the honour to request you to kindly let me know whether identification slips have to be issued to the voters as was done on the previous occasion. If such slips are to be issued instructions may kindly be conveyed early as to whether the slips have to be delivered to the voters before the selection date or if they may be delivered at the polling stations to such of the voters only as may present themselves for voting. As sample copy of identification slip issued on the last occasion is enclosed herein for reference. There is nothing in the rules to indicate that such slips are required to be issued.

Sir,

With reference to your letter No. R.L. 527/R.A. 20-33-2 dated 13th February 1934, re: the issue of identification slips to voters of Representative Assembly and Legislative Council, I have the honour to state that no slips will be issued to the voters this time as some confusion was experienced by the issue of the slips to voters during the last Municipal election. Further there being no provision in the election rules it seems best not to issue such slips.
